

Plant the wall face to create “one of a kind” landscapes for your clients!

Our innovative, landscape retaining wall block system is designed for ease of shipping, handling, and installation. Build retaining walls up to 5' tall with full size retaining wall blocks that cool the environment, while creating green-space and habitat.

- Varden Living Retaining Wall Blocks weigh **3 pounds each**, saving time and backache
- Save on storage space with our nestable blocks and innovative packaging
- Build walls up to 5' tall with these full size retaining wall blocks that **cover 1 sf each**
- Turn your retaining wall structure into a lush landscape garden by planting into the gaps
- Delivered in 10 ct. boxes by **UPS** or up to 250 ct. /pallet by **LTL freight** - no dock needed
